

Mobile App

The Fongo Mobile app is where you will use your Canadian phone number for making/receiving phone calls & sending/receiving text messages*.

*You will receive unlimited texting on your Fongo App once you activate your SIM card plan

- 1 Download the Fongo Mobile app
- 2 Open the app and tap "Register"
- 3 Register with your triOS Student Email
- 4 Follow in app instructions until logged in

Scan to download

LTE SIM Card

Your Fongo SIM card will provide your device with an LTE data connection, which gives you an internet connection while away from WiFi.

- 5 Visit fongo.com/fongophoneplan/
- 6 Order your data plan using your triOS Student Email
- 7 Input your Fongo SIM ID when placing your order
- 8 Please wait 1 business day for a confirmation message
- 9 Insert SIM into your device. You're Activated!
